

Chabad Hebrew School - Mission Statement:

At Chabad Hebrew school it is our aim that your child should join friends in a safe and fun learning environment that will give them the tools to stand up for what is right and be the best super Jews ever!

Our Hebrew school students are encouraged to form friendships and grow from year to year, ultimately graduating and joining the ranks of our many alumni who come back to volunteer as Cteen Jr's and then Cteen.

We encourage parents to take initiatives and arrange those play dates and bring the CHS spirit back home.

If you are one for volunteering, please reach out to any of the Rabbi's or Morah's, it takes a Shtetl to make great things happen!

Please see the pages below for this year's curriculum.
